The time to join is NOW!

The Wellness Center is a member of the Medical Fitness Association. This affiliation ensures the facility is held to higher industry standards, including COVID-19 considerations. Our Exercise Physiologists have degrees in exercise science, kinesiology, and various health-related fields. Our facility boasts an indoor heated swimming pool and indoor walking/jogging track. We offer over 30 Group Fitness classes per week including SilverSneakers® classes. Each member has full access to our locker rooms, showers, and full towel service. We offer Personal Training, Small Group Training, Massage Services and many other amenities.
