**Section VI: Acknowledgements and Signatures**

The submission of a Proposal constitutes an acknowledgment and representation by the Contractor that it has visited the Project site and has familiarized itself with the local conditions under which the required Work is to be performed.

The submission of a Proposal constitutes a representation by the Contractor that it has examined, analyzed, and studied any reports, including geotechnical reports and soils investigation reports, furnished by Navicent Health and it further represents that any conditions reflected in any such reports have been fully considered by the Contractor in its proposed lump sum contract price.

The submission of a Proposal constitutes a representation by the Contractor that it has studied and examined the Contract Documents and such other information as may have been furnished by NAVICENT HEALTH. Furthermore, the submission of a Proposal constitutes a representation by the Contractor that it has no knowledge of any ambiguities, errors, omissions or other inaccuracies in any of the Contract Documents or material furnished by NAVICENT HEALTH in connection with the Project.

By signing below, you submit this bid for consideration to Central Georgia Health System. You certify that you fully understand the risks, surrounding operations and the site conditions, and assume the risk for constructing the project should your firm be selected.
